Classes giving people recovering from brain injuries the opportunity to learn skills that put them on the “pathway” to academic success, career opportunities, independent living, and more!

Creating, Building, and Restoring

Personal Relationships

Tuesdays, 11:00-12:00PM

May 26th through July 14th

Relationships with friends, family members, spouses, and other loved ones may be different after your injury. Starting new relationships with people may also be a different experience than it was before. Possible topics include developing friendships, dating, and sexuality after brain injury.

Seating is limited!
